

World Series Showdown!

You will need:

A copy of the worksheet for each student or laminate one copy and use dry erase markers.

A die.

To play:

The student rolls the die and matches the rolled number to the correct player. The therapist or teacher asks a question. Get it right and you can check off a box. The first team to have each player score wins!

Instructions for play are included on each page.

Can be played individually or in a group.

Need more for your sports obsessed students? Whether you like to get out on the field or watch from the bleachers or couch, you'll motivate them with these open-ended worksheets.

World Series Showdown!

Choose **Cleveland Indians** or **Chicago Cubs**. Roll a single die, match the number to the player and check one of the boxes. Check all four boxes and that player made it home! Which team will have all players score first? Play alone or against a friend.
